#### **RULES FOR TESTING:**

- 1. CGC & CGCA Testing will complete one 2025 dog project for the 4-He'r.**
2. Testing will be done on a "first come, first serve" basis.
3. If your dog has an AKC registered number (*Normal litter registration, Canine Partners, or Purebred Alternative Listing*), please bring it with you to register for testing. Don't worry if your dog does not have an AKC registered number. Come anyway.
4. Your dog must pass all 10 exercises to qualify for a title. Don't worry if you don't pass all 10 exercises. This testing is a "Pass" or "Need Training." This testing will tell you exactly on what you and your dog have to work on to pass the next given CGC or CGCA test.
5. Dogs will be kept on a leash and the leash will be in the owner's hand.
6. **Keep your dogs 6 feet apart from your neighbor.** We do not want a dog fight.
7. If your dog defecates, you will clean it up.
